Application No. 09/761,604
Notice of Appeal

NOTICE OF APPEAL
FROM THE EXAMINER TO THE BOARD
OF PATENT APPEALS AND INTERFERENCES

In re Application of	Caldwell et al.
Serial Number	09/761,604
Filed	1/16/2001
Title	Natural Language Product Comparison Guide Synthesizer
Examiner	Kindred, Alford W
Art Unit	2172
Confirmation Number	5820
Attorney Docket Number	CO2-2

Applicant hereby appeals to the Board of Patent
Appeals and Interferences from the last decision of the
Examiner

Since the Applicants already have filed an appeal and paid Notice of Appeal and Appeal Brief fees, and the prosecution was reopened by the Examiner prior to a decision on the merits by the Board, the fee paid for the notice of appeal and appeal brief should be applied to a later appeal on the same application, as per MPEP 1207.04.

The Fee for this Notice of Appeal is \$500.00

Applicants claim small entity status. Therefore, the fee is reduced in half and the resulting fee is \$250.00. The Applicants have already paid for a previous Notice of Appeal on this application fee in the amount of \$165.00 on 9/20/2004, whereby the prosecution was reopened prior to a decision on the merits by the Board. The Applicants thereby submit that since the appeal fees set forth in 37 CFR 41.20 have increased since they were previously paid, applicant must pay the difference between the increased fees and the amount previously paid (MPEP 1207.04) which corresponds to the difference of \$85.

Notice of Appeal fee due from the Applicant is \$85.00

The Director is hereby authorized to charge any fees which may be required, or credit any overpayment to **Deposit Account No. 50-3280**. I have enclosed a duplicate copy of this sheet.
